Re: Case Management Conference

LPAT Case Number	PL180842
Date of Case Management Conference	Wednesday, March 20th, 2019

Dear Ms. Zwarycz,

This letter comes to you as a notification of intent to participate in the LPAT process tied to case number PL180842. Our organization wishes to extend the courtesy of informing you that, due to extenuating circumstances, no representative from the Michigan Chapter of the Congress for the New Urbanism (MiCNU) will be able to attend the case management meeting scheduled for 11 am on March 20th, 2019 at Windsor City Hall.

Several members of our Board of Directors had hoped to attend the meeting. All have unfortunately been beset by urgent professional or personal obligations rendering them unavailable on the 20th.

We truly regret any inconvenience this may cause and would like to assure you that we are working to rectify the situation as quickly as possible. If MiCNU is granted the ability to participate in the appeal process as it moves forward, beyond the meeting scheduled for March 20th, 2019, we assure you a representative will be present.

Lastly, if you have questions regarding our submission or require clarification, I would encourage you or the appropriate individuals overseeing the case management meeting reach out us at any time. I can be reached at (313) 610-0969.

We look forward to your reply and an opportunity to contribute.

Sincerely

Adam Cook
Vice President
Michigan Chapter of the Congress of the New Urbanism
